Designated Giving Program – Ulster Historical Foundation

About The Irish American Partnership:

The Irish American Partnership is a 501(c)3 organization dedicated to promoting and honoring our Irish heritage. It works to empower the next generation of Irish leaders by supporting educational and community initiatives in Ireland, North and South. The Partnership provides forums for visiting leaders from Ireland to speak in the United States, connecting Irish-Americans with their heritage and promoting economic development through tourism, trade, and mutual exchange. Since 1988, the Partnership has disbursed over \$25 million to programs in Ireland; its efforts are endorsed by education, business, community, and political leaders.

Designated Giving Program:

The Board of Directors of The Irish American Partnership welcomes designated gifts for specific programs, towns, counties, schools, and universities. The gifts are processed efficiently, ensuring that all conditions are met. In order to qualify for IRS tax consideration, the donor may not personally benefit from the gift and, for the Partnership to accept and transfer the funds, the gift must be part of our stated mission above. The Partnership's Tax ID number is 22-2801642.
